Attendance!!

Game-time

→ Jackbox... again?

AGENDA

-
- Quick Logistics Update
 - Work time!

R&D

- Should have genre chosen, and basic course of action with some references
- Use time today to plan out the bare minimum required to play a full game (ex. 1 level, a quick demo, a short snippet of gameplay)
- Have a rudimentary schedule layed out.

Production!

- We're assigning tasks today!
- Kinda the same as R&D, we need to get that 90% loop going.
- Hopefully you've played / opened the game at least once to see the current state of the game

DO YOU HAVE ANY QUESTIONS?!?!?

Work time!!!
